

Dear Parent or Guardian,

A big congratulations is in order! At our last club, we awarded the first patches to several children. Going forward, we will also send home certificates with your child once they earn a patch. This will help you know what is taking place in club. Once a year we will have an award ceremony where we will invite all parents. This is a time to congratulate each child for patches earned, but will also be a time to promote children who have ranked up!

Last club, Zachary and Ruth earned their "Service" patch for recruits. This was earned as they participated in various projects at home AND returned their scoring sheet to the directors. Many of your children are also completing their projects at home, but we have no way of knowing, because we never get the sheets back 😊

In addition, Nicolas and Vince brought 3 visitors last week, and earned their visitor patch!

Included in this packet is a flyer for vacation Bible School. VBS adds an extra grade and runs all the way up to 6th grade. If your children pre-register for VBS by filling out the info at the bottom of this form, they will also earn points for MVIA.
